Dear Sir/Madam,

Your refund request for 10640853 in the amount of \$30.00 has been issued.

When an RCE is filed it starts the prosecution of the application all over again. The first notice of appeal was filed on 07/11/07 and the fee was due. Then there was a RCE filed on 09/14/07 which started the prosecution of the application all over again. There was an Notice of appeal filed 01/29/08 and then brief filed on 03/28/08 in which the fee was due at the time of filing those documents. Then on 06/20/08 before a decision by the board another RCE was filed which started the prosecution of the application all over again. And then on 12/01/09 another RCE was filed which started the prosecution of the application all over again so, when the Notice of appeal was filed on 09/27/10 the fee was due with the notice of appeal. However, the fee that was charged to your deposit account in the amount of \$30.00 was charged in error and will be refunded back to your deposit account.

Sincerely,  
/Brenda Gray/
